A Committee to sponsor development of the ArchipedagogiE website

Held 8th June 2011 at the Network head office, the Sponsorship Committee is constituted of organizations for the diffusion of architectural culture.

The improved status of the quality of contemporary architecture and the built environment, in general, constitutes a creed of many participants: architects, associations, schools of architecture, enthusiasts, etc. A founding meeting was held in Paris 8th June 2011 on the project initiative, between the CNOA and the AC Network. Also participated; Isère AC website manager, and representatives from the Ministry of Culture, the Ministry of Education, the Ordre des Architectes, the CAUE National Federation, the International Union of Architects and independent associations.
